P. O. BOX 278

The following list of Rock Plants is a selection from our large assortment. These plants are offered for delivery in spring and early summer. Shipments will be made when the plants are ready. We will ship as promptly in the spring as possible and will hold orders for such plants as are not available for immediate delivery until later.

The following plants are offered in limited quantities only, except those marked (\*). This price list cancels all previous catalog or list prices.
